

International Law Studies – Volume 55

The International Law of Outer Space

Carl Q. Christol (Editor)

The thoughts and opinions expressed are those of the authors and not necessarily of the U.S. government, the U.S. Department of the Navy or the Naval War College.

## TABLE OF CONTENTS

|   | <i>Page</i> |
|---|-------------|
| FOREWORD.....   | iii         |
| PREFACE.....  | v           |
| <b>Chapter</b>  |             |
| I INTRODUCTION.....   | 1           |
| A. International Law and Outer Space.....                                 | 1           |
| 1. National and International Purposes to Be Served.....                  | 7           |
| a. National and International Capabilities in Outer<br>Space.....         | 15          |
| (1) Free World Science and Technology; An Ap-<br>praisal.....             | 19          |
| b. Political Approaches to the Law of Outer Space.....                    | 33          |
| c. Policy Approaches in the United States to a Law of<br>Outer Space..... | 44          |
| B. The Essentials of a Minimum Public Order.....                          | 49          |
| II OUTER SPACE AND THE WORLD COMMUNITY..                                  | 55          |
| A. Characteristics and Capabilities of Space Vehicles.....                | 55          |
| 1. Space Vehicles Distinguished from Other Devices.....                   | 55          |
| 2. Satellites.....  | 56          |
| 3. Orbiting Space Platforms.....  | 74          |
| 4. Bidimensional Devices.....   | 75          |
| 5. Multidimensional Devices.....  | 76          |
| B. Users of Space Vehicles.....   | 77          |
| 1. Public Users.....  | 77          |
| a. Nation-States.....   | 77          |
| b. International Entities.....  | 80          |
| 2. Private Users.....   | 84          |
| a. Corporations.....  | 84          |
| b. Other Private Users.....   | 86          |
| 3. Public-Private Users.....  | 86          |
| C. Probable and Possible Uses of Outer Space.....                         | 88          |
| 1. Informational Activities.....  | 89          |
| a. Weather Meteorology and Forecasting.....                               | 89          |
| b. Geodetic and Navigational Aids.....                                    | 93          |
| c. Observational Facilities.....  | 95          |
| d. Communications Media.....  | 103         |
| 2. Scientific Activities.....   | 106         |
| a. General Research.....  | 107         |

## TABLE OF CONTENTS—Continued

| Chapter  | <i>Page</i> |
|--|-------------|
| II OUTER SPACE AND THE WORLD COMMUNITY—  |             |
| Continued  |             |
| b. Exploration and Experimentation.....  | 107         |
| c. Protection Against Disease and Forms of Contamina-<br>tion.....                                     | 108         |
| 3. Commercial Activities.....  | 109         |
| a. Resource Exploitation.....  | 109         |
| b. Transportation.....   | 110         |
| c. Weather Control.....  | 110         |
| d. Communications Media.....   | 111         |
| 4. Military Activities.....  | 111         |
| a. The Right of Self-Defense.....  | 114         |
| b. The Maintenance of International Peace and Secu-<br>rity.....                                       | 116         |
| 5. Social Activities.....  | 118         |
| a. Expansion of Human Knowledge and Resulting Per-<br>sonal Satisfaction.....                          | 118         |
| 6. Political Activities.....   | 119         |
| a. National Prestige.....  | 120         |
| b. Policy Analysis and Formulation.....  | 121         |
| c. International Cooperation.....  | 122         |
| d. A Unifying Force for Peace.....   | 123         |
| III THE DEVELOPMENT OF THE LAW OF OUTER<br>SPACE.....  | 125         |
| A. Legal Principles and Rules.....   | 125         |
| B. The Decisional Process.....   | 127         |
| 1. Custom: Collaborative Activities and the Uniformity<br>of Expectations.....                         | 127         |
| a. Collaborative Activities.....   | 127         |
| b. The Uniformity of Expectations.....   | 147         |
| 2. General International Law and Comity.....   | 176         |
| 3. National and International Expressions: Claim and<br>Acquiescence.....                              | 176         |
| a. Special International Law.....  | 176         |
| (1) National Claims.....   | 177         |
| (2) Deliberations at the United Nations.....   | 183         |
| (3) Role of Other International Organizations.....   | 230         |
| 4. Bilateral Treaties and Other Agreements Dealing With<br>the Use and Exploration of Outer Space..... | 231         |
| 5. General Principles of Law.....  | 235         |
| a. Estoppel.....   | 235         |
| b. Respect for Acquired Rights.....  | 237         |

## TABLE OF CONTENTS—Continued

| Chapter   | Page |
|---|------|
| III THE DEVELOPMENT OF THE LAW OF OUTER SPACE—Continued   |      |
| c. Good Faith and Nonabuse of Rights.....   | 237  |
| d. Equitable Principles.....  | 238  |
| e. Private Efforts to Supply Space Law Principles.....  | 239  |
| 6. The Problem of Analogies.....  | 247  |
| a. High Seas, Territorial Waters, Contiguous Zones, Continental Shelf, and Artificial Islands.....                                  | 248  |
| b. Airspace.....  | 254  |
| c. Land.....  | 255  |
| d. Antarctica.....  | 257  |
| e. International Rivers and River Basins.....   | 260  |
| f. Analogies in Summation.....  | 261  |
| IV REASONABLE USES OF OUTER SPACE.....  | 263  |
| A. The Nature of Reasonable Use.....  | 263  |
| B. Instances of Reasonable Use.....   | 268  |
| C. The Special Soviet View of Observational Activities.....   | 277  |
| D. The Special Soviet View of Communications Activities..   | 295  |
| E. Restrictions on Uses of Outer Space.....   | 300  |
| 1. Preliminary Assessment of Factors to Be Considered in Determining Whether Outer Space Is Being Used for Reasonable Purposes..... | 305  |
| 2. Prelaunch Factors Affecting Reasonableness of Uses...  | 306  |
| a. Verification and Inspection.....   | 306  |
| b. Exchange of Information Relating to Outer Space Activities.....  | 310  |
| c. National Consultation and Cooperation as to Purportedly Undesirable Space Uses.....  | 312  |
| d. Elimination of Potentially Harmful Outer Space Experiments.....  | 315  |
| V THE RIGHT TO THE MAINTENANCE OF INTERNATIONAL PEACE, SECURITY, AND SELF-DEFENSE IN OUTER SPACE.....                               | 319  |
| A. Legal Authority for Dealing With Certain Uses.....   | 321  |
| 1. The Legal Duty to Abstain from Certain Uses.....   | 322  |
| 2. The Right to the Maintenance of International Peace and Security.....  | 323  |
| 3. The National Right to Self-Defense.....  | 326  |
| 4. Reprisals.....   | 331  |
| B. Competence to Deal With Certain Uses.....  | 332  |
