#### ARTICLE XIII

##### JURISDICTION

1. The Philippines consents that the United States shall have the right to exercise jurisdiction over the following offenses:

(a) Any offense committed by any person within any base except where the offender and offended parties are both Philippine citizens (not members of the armed forces of the United States on active duty) or the offense is against the security of the Philippines;

(b) Any offense committed outside the bases by any member of the armed forces of the United States in which the offended party is also a member of the armed forces of the United States; and

(c) Any offense committed outside the bases by any member of the armed forces of the United States against the security of the United States.

2. The Philippines shall have the right to exercise jurisdiction over all other offenses committed outside the bases by any member of the armed forces of the United States.

3. Whenever for special reasons the United States may desire not to exercise the jurisdiction reserved to it in paragraphs 1 and 6 of this Article, the officer holding the offender in custody shall so notify the fiscal (prosecuting attorney) of the city or province in which the offense has been committed within ten days after his arrest, and in such a case the Philippines shall exercise jurisdiction.

4. Whenever for special reasons the Philippines may desire not to exercise the jurisdiction reserved to it in paragraph 2 of this Article, the fiscal (prosecuting attorney) of the city or province where the offense has been committed shall so notify the officer holding the offender in custody within ten days after his arrest, and in such a case the United States shall be free to exercise jurisdiction. If any offense falling under paragraph 2 of this Article is committed by any member of the armed forces of the United States

(a) while engaged in the actual performance of a specific military duty, or

(b) during a period of national emergency declared by either Government and the fiscal (prosecuting attorney) so finds from the evidence he shall immediately notify the officer holding the offender in custody that the United States is free to exercise jurisdiction. In the event the fiscal (prosecuting attorney) finds that the offense was not committed in the actual performance of a specific military duty, the offender's commanding officer shall have the right to appeal from such finding to the Secretary of Justice within ten days from the receipt of the decision of the fiscal and the decision of the Secretary of Justice shall be final.

5. In all cases over which the Philippines exercises jurisdiction the custody of the accused, pending trial and final judgment, shall be entrusted without delay to the commanding officer of the nearest base, who shall acknowledge in writing that such accused has been delivered to him for custody pending trial in a competent court of the Philippines and that he will be held ready to appear and will be produced before said court when required by it. The commanding officer shall be furnished by the fiscal (prosecuting attorney) with a copy of the information against the accused upon the filing of the original in the competent court.

6. Notwithstanding the foregoing provisions, it is mutually agreed that in time of war the United States shall have the right to exercise exclusive jurisdiction over any offenses which may be committed by members of the armed forces of the United States in the Philippines.

7. The United States agrees that it will not grant asylum in any of the bases to any person fleeing from the lawful jurisdiction of the Philippines. Should any such person be found in any base, he will be surrendered on demand to the competent authorities of the Philippines.

8. In every case in which jurisdiction over an offense is exercised by the United States, the offended party may institute a separate civil action against the offender in the proper court of the Philippines to enforce the civil liability which under the laws of the Philippines may arise from the offense.

#### ARTICLE XIV

##### ARREST AND SERVICE OF PROCESS

1. No arrest shall be made and no process, civil or criminal, shall be served within any base except with the permission of the commanding officer of such base; but should the commanding officer refuse to grant such permission he shall (except in cases of arrest where the United States has jurisdiction under Article XIII) forthwith take the necessary steps to arrest the person charged and surrender him to the appropriate authorities of the Philippines or to serve such process, as the case may be, and to provide the attendance of the server of such process before the appropriate court in the Philippines or procure such server to make the necessary affidavit or declaration to prove such service as the case may require.

2. In cases where the service courts of the United States have jurisdiction under Article XIII, the appropriate authorities of the Philippines will, on request, give reciprocal facilities as regards the service of process and the arrest and surrender of alleged offenders.
