## PREFACE

“International Law Situations, 1939,” has been prepared by Payson Sibley Wild, Jr., Ph. D., professor of international law, Harvard University, and associate for international law at the Naval War College. It covers problems which have been the subject of discussion by members of the senior and junior classes of 1940. In the appendix there are certain laws and proclamations regarding neutrality which are of current interest.

While the conclusions reached are in no way official, the notes afford a convenient survey of material relating to the subjects presented, and they should be of value for purposes of reference.

E. C. KALBFUS,

*Rear Admiral, United States Navy,  
President, Naval War College.*

MAY 31, 1940.
