THE BAROMETER

28 November 1978

Editor,

I have realized since publication of my article "The 1977 Protocols to the Geneva Conventions of 1949" in the Fall 1978 issue of the *Review* that I neglected to recognize Geoffrey Best for providing me with both the reference to and translation of the passage quoted from Pierre Boissier's *L'Epee et la Balance*. I cited Boissier, but also should have credited Mr. Best, whose French is better than mine, for his "Legal Restraints in Warfare," which appeared in the September 1977 *Journal of the Royal United Services Institute*.

Sincerely,

/s/ W. Hays Parks
