NEW DIMENSIONS IN EXTENSION

Did you know that . . . Naval War College Extension Courses have gone to sea on Polaris Patrol? Presently enrolled in the extension program are 12 Polaris submariners, of whom 6 are BLUE or GOLD skippers. Front runner for first award of the Certificate of Meritorious Achievement is Commander James T. Strong, USN, Commanding Officer (GOLD) of *USS Lafayette* (SSBN-616). Commander Strong is presently embarked on the last of four courses in the Command and Staff 'package' and plans to complete all requirements on patrol.

Did you know that . . . Fleet Admiral Chester W. Nimitz, USN, when recalling experiences of his long career, once remarked, 'Whenever I needed to know which were the best officers under my command, I looked in their records to see who had taken courses from the Naval War College'?

Did you know that . . . Whitney Harris, a prosecutor at Nuremburg and author of *Tyranny on Trial*, was a Naval War College Extension student in International Law?
